

BOARD ACTION

June 28, 2007

DIRECTED	Commr. Cadwell directed staff to go forward with the jail site in Tavares, which was determined to be 20 acres, and which the County owned adjacent land to.	CADWELL
DIRECTED	The Board consensus was to direct the architects to build the downtown Tavares projects using the same type of energy efficient and environmentally responsible requirements as LEED, but without spending the extra money for the certification.	CADWELL
DIRECTED	Commr. Cadwell directed staff to get back with the Board on the cost of the roundabouts versus a regular intersection, and that they needed to have a discussion with the City regarding that.	CADWELL
DIRECTED	Commr. Cadwell directed staff to give them a breakdown of the companies that applied for an incentive program for the disabled, and how many people they were talking about.	CADWELL
APPROVED	Request from Budget to authorize the Chairman to sign validation forms with the calculations used to get to the 9 percent property tax reduction amount, which they were required to submit to Tallahassee.	FRAZIER
